

**MKUH Surgical Junior Doctors
Teaching Programme**

Feedback - March 2018

MKUH Surgical Junior Doctors Teaching Programme

This Surgical Junior Doctors Teaching Programme was designed over the course of 6 months to equip junior doctors on the surgical firm with the necessary knowledge to assess and manage the acutely unwell surgical patient. These sessions were predominantly delivered on a fortnightly basis through the aid of small group interactive sessions and tutorials throughout the surgical rotation.

LEARNING OBJECTIVES FOR JUNIOR DOCTORS

- To equip junior doctors on the surgical firm with the necessary knowledge to assess and manage the acute surgical patient.
- To be able to understand the initial management and assessment of the trauma patient in accordance to the ATLS principles and guidelines.
- To understand the underlying pathophysiology of surgical disorders
- To be able to understand the indications for assessment, performing investigations and surgical/radiological intervention of patients presenting in the acute setting.
- Continuous improvement of professional and clinical skills/acumen.
- To equip junior doctors with the necessary practical skills required to of a surgical FY1.

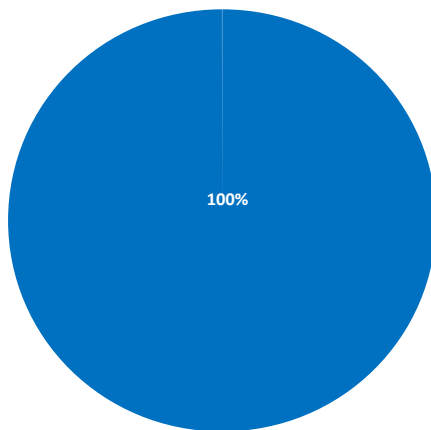

Course Information

Course date:	20th March 2018
Venue:	Milton Keynes University Hospital NHS Trust
Attendance:	2 Delegates

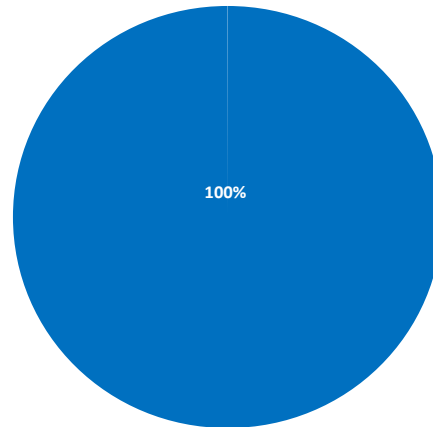

Overall Teaching Feedback

How useful was the session?

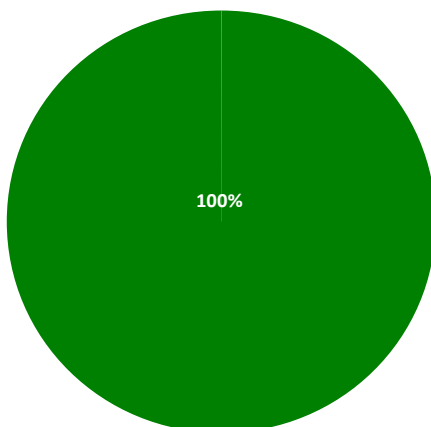

■ Very Useful ■ Useful ■ Neutral ■ Limited Usefulness ■ Useless

How would you rate the clarity of the teaching session?

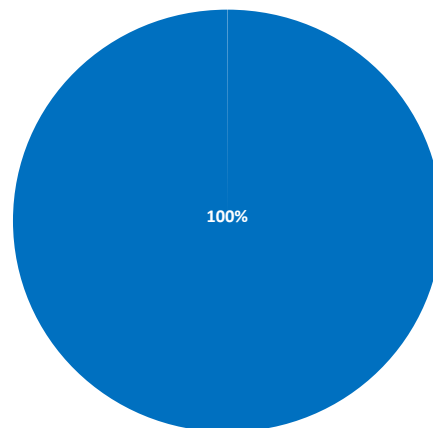

■ Excellent ■ Very good ■ Good ■ Fair ■ Poor

How would you rate the level of content?

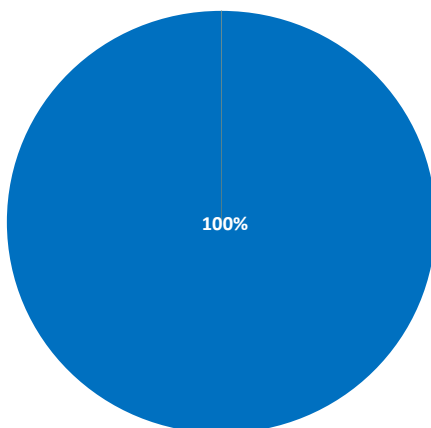

■ Too advanced for my level ■ Appropriate for my level
■ Easy for my Level ■ Too easy for my level

How would you rate the relevance of this teaching session?

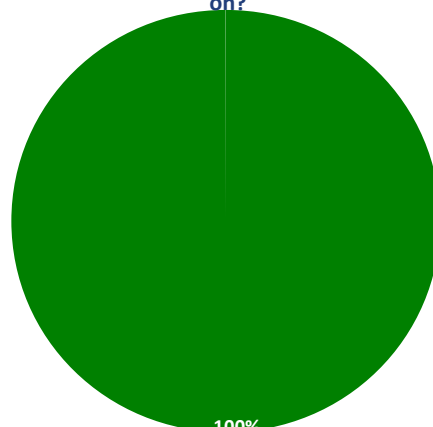

■ Very Relevant ■ Relevant ■ Neither
■ Limited relevance ■ Not relevant

Did this session achieve your learning objectives?

■ Most Certainly ■ Certainly ■ Neutral ■ Probably ■ No way

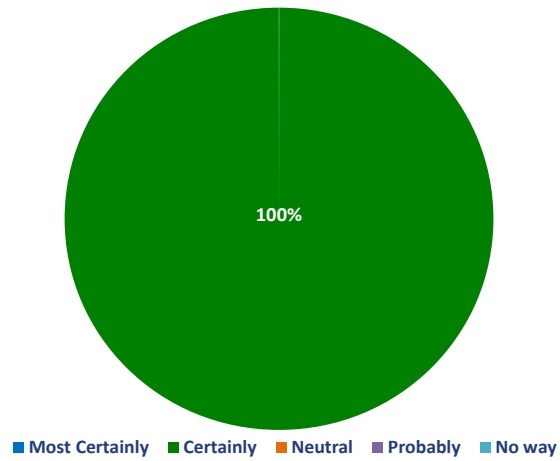

Do you feel that the session provided you with a self-assessment of your strengths and weaknesses, and areas you need to improve on?

■ Most Certainly ■ Certainly ■ Neutral ■ Probably ■ No way

Overall Teaching Feedback

Did this session allow you to reflect on your previous experience/learning?

Individual Comments

Well organised, good equipment available.

DW

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events/ competitions.

Courses (a selection):

Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

Forthcoming key events:

- **International Medical Summer School**
Manchester, 6th to 10th August 2018
- **International Academic and Research Conference**
Manchester, 11th August 2018
- **World University Anatomy Challenge**
Manchester, 9th and 10th August 2018

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
